Costs of trenching and easements required to bring service to the development shall be borne by the developer or property owner; except that if the Grantee fails to install its conduits, pedestals and/or vaults, and laterals within seven working days of the date the trenches are available, as designated in the notice given by the developer or property owner, then should the trenches be closed after the seven-working-day period, the cost of new trenching shall be borne by the Grantee.

§4.01.10 Technical Standards. The technical standards used in the operation of the System shall comply, at minimum, with the technical standards promulgated by the FCC relating to cable communication systems pursuant to the FCC rules and regulations, including the provisions found in 47 U.S.C. §76.601 to 76.617.

No acceptance of amounts remitted by a Grantee shall be construed as an accord that the amounts are correct. Any additional amount due after an audit shall be paid by the Grantee within thirty (30) days after the Village's invoice for the sum.

§4.01.15 Insurance and Indemnification.

A. Grantee shall provide the Village with Grantee's acceptance of a Franchise, and at all times thereafter during the applicable term of the Franchise Agreement, maintain in full force and effect at its sole expense, a comprehensive general liability insurance policy coverage naming the Village as an additional insured as provide herein. C. The Grantee, on behalf of itself, its successors, assigns, employees and agents, shall defend, indemnify and hold harmless the Village, its officers, boards, commissions, agents and employees and each of them, against and from any and all claims, demands, suits, actions, liabilities, costs, expenses and judgments of every kind and nature regardless of the merits of the same, arising out of or through the exercise or enjoyment of the Franchise granted to the Grantee pursuant to this Cable Communications Franchise Code and under a Franchise Agreement, including cost of litigation, attorneys' fees and court costs in defense of any action, to the extent that such claims or demands are alleged to be the result of any error, omission, intentional act, reckless act or negligent act of the Grantee or any employee, servant or agent of the grantee including, but not limited to, all claims arising in tort, contracts, infringement of copyright, violation of statutes,

ordinances, regulations or the failure to comply with any obligation or duty imposed by this Cable Communications Franchise Code or a Franchise Agreement.

A. Unauthorized Connections or Modifications Prohibited: It shall be unlawful for any Person, without the express consent of the Grantee, to make or possess, or assist anybody in making or possessing, any connection, extension, or division, whether physically, acoustically, inductively, electronically or otherwise, with or to any segment of the System.

Upon the initial or any new application for a License by an applicant, each applicant for a License shall submit his or her fingerprints to the Illinois Department of State Police in the form and manner prescribed by the Illinois Department of State Police. These fingerprints shall be checked against the fingerprint records now and hereafter filed in the Illinois Department of State Police and Federal Bureau of Investigation criminal history databases. After receiving the criminal history for the applicant from the Illinois Department of State Police, the Local Liquor Control Commissioner may use such information to determine whether the applicant qualifies for the issuance of a License or the renewal of a previously issued License under this Chapter. The applicant shall pay a fee in an amount as determined by the Illinois Department of State Police, which shall then be forwarded to the Illinois Department of State Police for the purposes of conducting this criminal history background investigation.

The Local Liquor Control Commissioner shall determine if all provisions of this provision have been met before any action on the corporation's license is initiated.

§4.02.09 Classes of Licenses. There are hereby created and authorized the following Licenses:

A. Class "A", granting the right to sell alcoholic liquor at retail in its original package for consumption off the premises, of which there shall never be more than one (1) in effect at any given time.

B. Class "B", granting the right to sell alcoholic liquor at retail, either in the original package or not, for consumption on the premises, and the right to sell alcoholic liquor at retail in its original package for consumption off the premises, of which there shall never be more than three (3) in effect at any given time. A Class B license shall not be authorized for locations of grocery stores and locations where alcoholic liquor is sold in conjunction with the operation of a gasoline station.

C. Class "C", granting the right to sell alcoholic liquor at retail in any restaurant which complies with the requirement that fifty percent (50%) or more of the gross revenue in any month from the operation of the licensed premises must be derived from the serving of meals, for consumption on the premises, of which there shall never be more than two (2) at any given time.

D. Class "T" License shall authorize the sale of alcoholic beverages or liquors at retail for consumption on the premises described in the license by an existing Class B or C license holder on a temporary basis of no longer than five (5) days in connection with a special event or function as authorized by the Liquor Control Commission in a designated outdoor area that has restricted access (such as temporary or permanent fencing) and that is adjacent, contiguous, and when on the premises of the existing Class B or C license holder, that is connected to the structure of the Class B or C license holders authorized premises. The means by which the access is restricted to this outdoor area shall provide sufficient exits such that a fire or safety hazard is not created. Further, the license holder shall have one or more employees present in this outdoor area at all times when alcoholic liquors are being sold or consumed, and the license holder shall provide adequate security guards who are present in this outdoor area at all times when alcoholic liquors are being sold or consumed. The Liquor Control Commissioner may restrict the hours of operation of the area under the Class T license to shorter hours than the normal operating hours

permitted for the primary license. All other restrictions or limitations on the Class B or C license holder shall apply to the license holder's class T license. In order for a class T license to be issued for any public area, the license holder must provide a certificate of insurance with the application for the class T license that covers the outdoor area to be covered under the class T license and names the City as an additional insured.

E. Subclass "1" shall authorize the consumption of alcoholic liquor in an outdoor eating, drinking, or sitting area ("Outdoor Area"), which shall include an open air café or patio that complies with the provisions of this subsection of the Village's Liquor Code. No additional or separate license fee is required for a Subclass 1 license. This subclass of license shall be a supplementary license permitting the consumption of alcohol in an Outdoor Area located adjacent to and operated by and in conjunction with an already licensed premise subject to the following:

1. Only those licensees already holding a Class C license and operating a conforming premise under those licenses will be eligible to obtain a Subclass 1 license under this subsection.

2. While consumption of alcoholic liquor will be allowed in an Outdoor Area, no alcoholic liquor may be poured or prepared in an Outdoor Area, and no bar, satellite bar, or other alcoholic beverage preparation facility or station is permitted in an Outdoor Area. Only the adjacent primary licensed premise may sell alcoholic liquor consumed in the Outdoor Area that has been poured or prepared at an inside location within the adjacent primary licensed premise, and only alcoholic liquor purchased from the primary licensed premise for consumption on the premises may be consumed in such Outdoor Area.

3. No alcoholic liquor may be consumed, maintained, or brought into the Outdoor Area except when the primary licensed premise is open for business and which is otherwise in compliance with the following limitations: during the hours of 11:00 o'clock A.M. and 10:00 o'clock P.M. Sunday through Thursday, and during the hours of 11:00 o'clock A.M. and 11:00 o'clock P.M. Friday and Saturday. It is the license holder's responsibility to ensure that no alcoholic liquor is consumed, maintained, or brought into an Outdoor Area after the permitted hours of operation or at any time where the sale of alcoholic liquors is prohibited under Section 21 of this Liquor Code.

4. The Outdoor Area must comply with the following:

- (a) The Outdoor Area must be immediately adjacent and joined to the licensed premises.

- (b) The Outdoor Area must not be greater in area than 500 square feet in total floor space.

(c) The Outdoor Area must be entirely and completely enclosed by a fence or other impediment or structure that prohibits the removal of alcoholic beverages for the Outdoor Area and otherwise limits entry into and exit from the Outdoor Area, except for an entryway into the Outdoor Area from any outside area that is used as the means of primary entrance to the licensed premise, the entryway between the Outdoor Area and the licensed premise, and any emergency exit for the Outdoor Area. The Outdoor Area must have at least two means of exit from the area, which may include an emergency exit, and only one of which shall be through a building.

(d) No forms of amplified sound or music, nor any live entertainment, will be permitted in an Outdoor Area, except that "soft music" will be allowed in an Outdoor Area provided the noise level of the music does not exceed 70 DBA at a distance of 50 feet from the Outdoor Area and as otherwise determined by the Liquor Commissioner.

5. It shall be unlawful for any person to transfer, pass, or deliver alcoholic liquor from a location within the Outdoor Area to a person located outside the Outside Area.

6. The license holder is obligated to ensure regular, diligent, and effective management and employee oversight over and control of an Outdoor Area in order to ensure compliance with the Liquor Code and all sections of the Dunlap Village Code. The license holder shall be responsible to ensure that no customer, employee, or other person removes, or allows the removal of, alcoholic beverages or alcoholic liquor from the Outdoor Area or licensed premise.

7. The license holder of any licensed Outdoor Area shall comply with the Smoke Free Illinois Act, as amended from time to time.

8. A Subclass 1 license shall be subject to the expiration and renewal on the same terms as its companion Class C license.

(Ord. No. 11-6, 12-14-11; Ord. No. 13-3, 4-10-13; Ord. No. 16-1, 4-13-16)

§4.02.10 License Fee. The annual fee for any Class A, Class B, or Class C License issued by the Village shall be the sum of Six Hundred Dollars (\$600.00), payable in advance. The fee for a Class T License issued by the Village shall be the sum of Fifty Dollars (\$50.00) per issued Class T license, payable in advance, which shall be in addition to the annual fee for the primary license. Except as specifically provided in this Section, such fee shall be non-refundable and it shall not be discounted or prorated for any partial license period. Such fees shall be paid to the Village Clerk at the time of application, and shall be forthwith turned over to the Village Treasurer. In the event the license applied for is denied, the fee shall be returned to the applicant. If the license is granted, then the fee shall be deposited in the Village treasury. (Ord. No. 11-6, 12-14-11)

§4.02.11 License Term. A License issued under the terms of this Chapter shall generally valid for a period of one year from 12:00 a.m. (midnight) on November 1st to 11:59 p.m. on the subsequent October 31st, unless suspended or revoked sooner as provided for in this Chapter. Any License issued on or after May 1 and before November 1 shall expire on October 31 following its issuance. Any License issued on or after November 1 and before May 1 shall expire on April 30 following its issuance.

§4.02.12 Privilege Granted by License; Nature as to Property; Transfer of License; Tax Delinquencies.

(A) A license shall be purely a personal privilege, good for not to exceed one year after issuance unless sooner revoked as in this Chapter provided, and shall not constitute property, nor shall it be subject to attachment, garnishment or execution, nor shall it be alienable or transferable, voluntary or involuntarily, or subject to be encumbered or hypothecated. Such license shall not descend by the laws of testate or intestate devolution, but it shall cease upon the death of the licensee, provided that executors or administrators of the estate of any deceased licensee, and the trustee of any insolvent or bankrupt licensee, when such estate consists in part of alcoholic liquor, may continue the business of the sale of alcoholic liquor under order of the appropriate court, and may exercise the privileges of the deceased or insolvent or bankrupt licensee after the death of such decedent, or such insolvency or bankruptcy until the expiration of such license but not longer than six months after the death, bankruptcy or insolvency of such licensee.

(B) Any licensee may renew his license at the expiration thereof, provided the licensee is then qualified at the time of renewal to receive a license and the premises for which such renewal license is sought are suitable for such purpose; and provided further, that the renewal privilege herein provided for shall not be construed as a vested right which shall in any case prevent the Board of Trustees from decreasing the number of licenses to be issued within the Village. No License shall be renewed unless the applicant provides documentation that any tax owed to the Village has been satisfied by payment.

§4.02.13 Violation of Tax Acts; Refusal, Revocation or Suspension of License.

(A) In addition to other grounds specified in this Chapter, the Local Liquor Control Commissioner, on complaint of the Illinois Department of Revenue, shall refuse the issuance or renewal of a License, or suspend or revoke the license, of any person, for any of the following violations of any tax Act administered by the Illinois Department of Revenue:

1. Failure to make a tax return.
2. The filing of a fraudulent return.
3. Failure to pay all or part of any tax or penalty finally determined to be due.

4. Failure to keep books and records.
5. Failure to secure and display a certificate or sub-certificates of registration, if required.
6. Willful violation of any rule or regulation of the Illinois Department of Revenue relating to the administration and enforcement of tax liability.

(B) Upon receiving notice from the Illinois Department of Revenue that a violation of any of items 1 through 6 of Subsection (A) have been corrected or otherwise resolved to the Department's satisfaction, the Local Liquor Control Commissioner may vacate an Order of Revocation.

§4.02.14 Books and Records Available for Investigation and Control; Maintenance. It shall be the duty of every licensee to make books and records available upon reasonable notice for the purpose of investigation and control by the Illinois Liquor Control Commission or the Local Liquor Control Commissioner. Such books and records need not be maintained on the licensed premises, but must be maintained in the State of Illinois; however, if access is available electronically, the books and records may be maintained out of state. However, all original invoices or copies thereof covering purchases of alcoholic liquor must be retained on the licensed premises for a period of ninety (90) days after such purchase, unless the Illinois Liquor Control Commission has granted a waiver in response to a written request in cases where records are kept at a central business location within the State of Illinois or in cases where books and records that are available electronically are maintained out of state.

§4.02.15 Sale Near Churches, Schools, and Hospitals.

(A) No License shall be issued for the sale at retail of any alcoholic liquor within one hundred (100) feet of any church, school other than an institution of higher learning, hospital, or home for aged or indigent persons or for veterans, their spouses or children, provided, that this prohibition shall not apply to hotels offering restaurant service, regularly organized clubs, or to restaurants, food shops or other places where sale of alcoholic liquors is not the principal business carried on; nor to the renewal of a license for the sale at retail of alcoholic liquor on premises within one hundred (100) feet of any church or school where the church or school has been established within such one hundred (100) feet since the issuance of the original license. In the case of a church, the distance of one hundred (100) feet shall be measured to the nearest part of any building used for worship services or educational programs and not to property boundaries.

(B) Nothing in this Section shall prohibit the issuance of a License authorizing the sale of alcoholic liquor incidental to a restaurant if: (1) the primary business of the restaurant consists of the sale of food where the sale of liquor is incidental to the sale of food and the applicant is a completely new owner of the restaurant, (2) the immediately prior owner or operator of the premises where the restaurant is located operated the

premises as a restaurant and held a valid retail license authorizing the sale of alcoholic liquor at the restaurant for at least part of the twenty-four (24) months before the change of ownership, and (3) the restaurant is located seventy-five (75) or more feet from a school.

(C) Nothing in this Section shall prohibit the issuance of a License to a church or private school to sell at retail alcoholic liquor if any such sales are limited to periods when groups are assembled on the premises solely for the promotion of some common object other than the sale or consumption of alcoholic liquors.

§4.02.16 Peddling. It shall be unlawful to peddle alcoholic liquor in the corporate limits of the Village.

§4.02.17 Display of License. Every licensee shall cause his License to be framed and hung in plain and conspicuous view on the licensed premises and shall keep said license so posted during all of the time said license is in force.

§4.02.18 Advertising Restrictions. No licensee shall use the word "saloon" or "bar" in any sign advertising his business operation.

§4.02.19 Change or Enlargement of Location. A License shall permit the sale of alcoholic liquor only to the premises described in the application and license, and only one location shall be so described in each license. After a license has been granted for particular premises, such location may be changed or enlarged only upon the written permission to make such change issued by the Local Liquor Control Commissioner and endorsed upon the license. No change of location shall be permitted unless the proposed new location is a proper one for the retail sale of alcoholic liquor under the laws of this State and the provisions of this Code, and the person requesting the change files with the State Liquor Control Commission and the Local Liquor Control Commissioner a written request in writing and a statement under oath which shall show that the premises to which the change is to be made comply in all respects with the requirements of State law and the provisions of this Code.

§4.02.20 Employees.

(A) It shall be unlawful to employ in any premises used for the retail sale of alcoholic liquor any person who is afflicted with, or who is a carrier of, any infectious or communicable disease, contained in the list of infectious and communicable diseases published annually by the U.S. Secretary of Health and Human Services, in a capacity that such person may transmit the infectious or communicable disease through the handling, preparation or distribution of food or alcoholic liquor; and it shall be unlawful for any person who is afflicted with, or a carrier of, any such disease to work in a capacity where the disease may be transmitted through the handling, preparation or distribution of food or liquor.

(B) It shall be unlawful to permit any person under the age of 21 in any premises used for the retail sale of alcoholic liquor to serve, mix, dispense or sell alcoholic liquor or to be otherwise involved in the handling of such alcoholic liquor.

§4.02.21 Restrictions on Operating Hours. In establishments with Class “A” licenses, no alcoholic liquors shall be sold or served between the hours of 1:00 o’clock A.M. and 7:00 o’clock A.M.

In establishments with Class “B” licenses, no alcoholic liquor shall be sold or served on Sundays from 1:00 o’clock A.M. until 11:00 o’clock A.M. or any other day of the week between the hours of 1:00 o’clock A.M. and 10:00 o’clock A.M.

In establishments with Class “C” licenses, no alcoholic liquor shall be sold or served on Sundays from 1:00 o’clock A.M. until 11:00 o’clock A.M. or any other day of the week between the hours of 1:00 o’clock A.M. and 10:00 o’clock A.M.

§4.02.22 Bond; Filing of, Condition; Forfeiture. Each person desiring a License under this Chapter, shall execute a penal bond in the sum of one thousand dollars (\$1,000.00) with at least two (2) personal securities or a solvent surety company licensed to do business in the State of Illinois, to be approved by the President and Board of Trustees. Said bond shall be filed with the President at the same time the application is presented, and shall be conditioned for the faithful observance by the licensee of the provisions of this Chapter and of the laws of the State of Illinois and of the United States of America, applying to the sale and possession of alcoholic liquor. If a licensee shall be convicted of the violation of any of the provisions of this Chapter or the Illinois Liquor Control Act of 1934, or his license shall be revoked and no appeal is taken from said order of revocation or any appeal taken therefrom is decided adversely to the licensee, said bond shall thereupon be forfeited to the Village.

§4.02.23 Prohibited Sales.

(A)(1) Except as provided in Subsection (B), it shall be unlawful for any person licensed under this Chapter or any officer, associate, member, representative, agent or employee of such licensee to sell, give, or deliver alcoholic liquor to any person under the age of 21 years or to any intoxicated person. No person, after purchasing or otherwise obtaining alcoholic liquor, shall sell, give or deliver such alcoholic liquor to another person under the age of 21 years, except in the performance of a religious ceremony or service. If a licensee or officer, associate, agent, or employee of the licensee is prosecuted under this Subsection (A) for selling, giving, or delivering alcoholic liquor to a person under the age of 21 years, the person under 21 years of age who attempted to buy or receive the alcoholic liquor may be prosecuted pursuant to Section 3-4-24 of this Chapter, unless the person under 21 years of age was acting under the authority of a law enforcement agency, the Illinois Liquor Control Commission, or the Local Liquor Control Commissioner pursuant to a plan or action to investigate, patrol, or conduct any similar enforcement action.

(2) For the purpose of preventing the violation of this Section, any licensee, or his agent or employee shall refuse to sell, deliver, or serve alcoholic beverages to any person who is unable to produce adequate written evidence of identity and of the fact that he or she is over the age of 21 years, if requested by the licensee, agent, employee, or representative.

However, no agent or employee of the licensee shall be disciplined or discharged for selling or furnishing liquor to a person under 21 years of age if the agent or employee demanded and was shown, before furnishing liquor to a person under 21 years of age, adequate written evidence of age and identity of the person issued by a federal, state, county or municipal government, or subdivision or agency thereof, including but not limited to a motor vehicle operator's license, a registration certificate issued under the Federal Selective Service Act, or an identification card issued to a member of the Armed Forces. This paragraph, however, shall not apply if the agent or employee accepted the written evidence knowing it to be false or fraudulent.

Adequate written evidence of age and identity of the person is a document issued by a federal, state, county, or municipal government, or subdivision or agency thereof, including, but not limited to, a motor vehicle operator's license, a registration certificate issued under the Federal Selective Service Act, or an identification card issued to a member of the Armed Forces. Proof that the defendant-licensee, or his employee or agent demanded, was shown and reasonably relied upon such written evidence in any transaction forbidden by this Section is an affirmative defense in any criminal prosecution therefor or to any proceedings for the suspension or revocation of any license based thereon. It shall not, however, be an affirmative defense if the agent or employee accepted the written evidence knowing it to be false or fraudulent. If a false or fraudulent Illinois driver's license or Illinois identification card is presented by a person less than 21 years of age to a licensee or the licensee's agent or employee for the purpose of ordering, purchasing, attempting to purchase, or otherwise obtaining or attempting to obtain the serving of any alcoholic beverage, the law enforcement officer or agency investigating the incident shall, upon the conviction of the person who presented the fraudulent license or identification, make a report of the matter to the Secretary of State on a form provided by the Secretary of State.

(B) A licensee or an officer, associate, member, representative, agent, or employee of a licensee may sell, give, or deliver alcoholic liquor to a person under the age of 21 years or authorize the sale, gift, or delivery of alcoholic liquor to a person under the age of 21 years pursuant to a plan or action to investigate, patrol, or otherwise conduct a "sting operation" or enforcement action against a person employed by the licensee or on any licensed premises if the licensee or officer, associate, member, representative, agent, or employee of the licensee provides written notice, at least 14 days before the "sting operation" or enforcement action to the Local Liquor Control Commissioner. Notice provided under this Section shall be valid for a "sting operation" or enforcement action conducted within 60 days of the provision of that notice.

§4.02.24 Purchase, Acceptance of Gift, Consumption or Possession of Alcoholic Liquor by Persons Under 21; Identification Cards; Other Prohibitions; Exceptions.

(A) It shall be unlawful for any person under the age of 21 years to purchase or accept a gift of alcoholic liquor, or consume or have alcoholic liquor in his possession. If a licensee or his or her agents or employees believes or has reason to believe that a sale or delivery of any alcoholic liquor is prohibited because of the age of the prospective recipient, he or she shall, before making such sale or delivery demand presentation of some form of positive identification containing proof of age. This Subsection does not apply to possession by a person under the age of 21 years making a delivery of alcoholic liquor in pursuance of the order of his or her parent.

(B) It shall be unlawful for any person to sell, give, or furnish to any person under the age of 21 years any false or fraudulent written, printed, or photostatic evidence of the age and identity of such person, or sell, give or furnish to any person under the age of 21 years evidence of age and identification of any other person.

(C) It shall be unlawful to transfer, alter, or deface an identification card or obtain an identification card by means of false information. It shall be unlawful for any person under the age of 21 years to possess any written, printed or photostatic evidence of age and identity that is false, fraudulent, or not actually his or her own. It shall be unlawful for any person under the age of 21 years to present or offer to any licensee, his agent or employee, any written, printed or photostatic evidence of age and identity that is false, fraudulent, or not actually his or her own for the purpose of ordering, purchasing, attempting to purchase or otherwise procuring or attempting to procure, the serving of any alcoholic beverage.

(D) It shall be unlawful for any parent or guardian to permit his or her residence to be used by an invitee of the parent's child or the guardian's ward, if the invitee is under the age of 21, in a manner that constitutes a violation of this Section. A parent or guardian is deemed to have permitted his or her residence to be used in violation of this Subsection if he or she knowingly authorizes, enables, or permits such use to occur by failing to control access to either the residence or the alcoholic liquor maintained in the residence.

(E) It shall be unlawful for any person to rent a hotel or motel room from the proprietor or agent thereof for the purpose of or with the knowledge that such room shall be used for the consumption of alcoholic liquor by persons under the age of 21 years.

(F) It shall be unlawful for any person to have alcoholic liquor in his or her possession on public school district property on school days or at events on public school district property when children are present, unless the alcoholic liquor (i) is in the original container with the seal unbroken and is in the possession of a person who is not otherwise legally prohibited from possessing the alcoholic liquor or (ii) is in the possession of a person in or for the performance of a religious service or ceremony authorized by the school board.

(G) The possession and dispensing, or consumption by a person under 21 years of age of alcoholic liquor in the performance of a religious service or ceremony, or the consumption by a person under 21 years of age under the direct supervision and approval of the parents or parent or those persons standing in loco parentis of such person under 21 years of age in the privacy of a home, is not prohibited by this Section.

§4.02.25 Gambling; Disorderly Conduct. No gambling shall be permitted and no gambling device shall be kept in any premises licensed hereunder, except that video gaming in such licensed places of business is permitted if properly registered and otherwise in compliance with Chapter 10 of Title 4 of the Village Code. No riotous, disorderly, indecent, or offensive conduct of any kind shall be allowed in or about said premises. (Ord. 13-02, 3-13-13)

§4.02.26 Revocation; Suspension; Fines; Notice; Hearing.

(A) The Local Liquor Control Commissioner may revoke or suspend any License for any violation of this Chapter or the Illinois Liquor Control Act of 1934. In addition to the suspension, the Local Liquor Control Commissioner may levy a fine on the licensee for such violations not to exceed one thousand dollars (\$1,000.00) for a first violation within a twelve (12) month period, one thousand five hundred dollars (\$1,500.00) for a second violation within a twelve (12) month period, and two thousand five hundred dollars (\$2,500.00) for a third or subsequent violation within a twelve (12) month period. Each day on which a violation continues shall constitute a separate violation. Not more than fifteen thousand dollars (\$15,000.00) in fines under this Section may be imposed against any licensee during the period of his license. Proceeds from such fines shall be paid into the general corporate fund of the Village treasury.

(B) No License shall be revoked or suspended and no licensee shall be fined except after a public hearing by the Local Liquor Control Commissioner with a three (3) day written notice to the licensee affording the licensee an opportunity to appear and defend the charges against him. All hearings shall be open to the public, and the Local Liquor Control Commissioner shall reduce all evidence to writing and shall maintain an official record of the proceedings. If the Local Liquor Control Commissioner has reason to believe that any continued operation of a particular licensed premises will immediately threaten the welfare of the community, he may, upon the issuance of a written order stating the reason for such conclusion and without notice or hearing, order the licensed premises closed for not more than seven (7) days, giving the licensee an opportunity to be heard during that period, except that if the licensee is also engaged in the conduct of another business or businesses on the licensed premises such order shall not be applicable to the other business or businesses. If the Local Liquor Control Commissioner determines after the hearing that the license should be revoked or suspended or that the licensee should be fined, he shall within five (5) days after the hearing state the reason or reasons for such determination in a written order, and either the amount of the fine, the period of suspension, or that the license has been revoked, and shall serve a copy of such order within the five (5) days upon the licensee.

§4.02.27 Granting Licenses after Revocation; Waiting Period; Discretion.

(A) When any License has been revoked for any cause, no license shall be granted to any person for the period of one year thereafter for the conduct of the business of selling alcoholic liquor in the premises described in the revoked license unless the revocation order has been vacated or unless the revocation order was entered as to the licensee only.

(B) Nothing in this Section shall prohibit the issuance of a License authorizing the sale of alcoholic liquor incidental to a restaurant if (1) the primary business of the restaurant consists of the sale of food where the sale of liquor is incidental to the sale of food and the applicant is a completely new owner of the restaurant, (2) the immediately prior owner or operator of the premises where the restaurant is located operated the premises as a restaurant and held a valid License authorizing the sale of alcoholic liquor at the restaurant for at least part of the twenty-four (24) months before the change of ownership, and (3) the restaurant is located seventy-five (75) or more feet from a school.

§4.02.28 Violations. Any person, firm, or corporation violating any provisions of this Chapter shall be fined not less than One Hundred Dollars (\$100.00) nor more than Seven Hundred Fifty Dollars (\$750.00) for each offense, and separate offenses shall be deemed committed on each day during or on which violation occurs or continues.
